

Miss Katy the “Chow Hound” greets everyone she meets with a warm wag of her tail. She enjoys bones, chicken, and time spent with daddy!

Miss Kat'a arrived at our doorstep at 10 days old and has become the first Therapy Kat in a TriCounty area. She likes going on long truck rides, taking naps in the sun, and chasing her favorite toy Misha the mouse.

*Hello, my name is Trevor, how can I help you?*
